**CITY OF HUNTINGTON BEACH
REQUEST FOR CITY COUNCIL ACTION**

SUBMITTED TO: HONORABLE MAYOR AND CITY COUNCIL MEMBERS

SUBMITTED BY: PENELOPE *Penelope Culbreth Graft* CULBRETH-GRAFT, CITY ADMINISTRATOR

PREPARED BY: ROBERT F. BEARDSLEY, PE, DIRECTOR OF PUBLIC WORKS *RFB*

SUBJECT: Adopt Resolution Approving Residential Parking Permit District
"H"

Statement of Issue, Funding Source, Recommended Action, Alternative Action(s), Analysis, Environmental Status, Attachment(s)

Statement of Issue: Residents living on Hyde Park Drive have petitioned the City for a permit-parking district.

Funding Source: The provisions of Huntington Beach Municipal Code Chapter 10.42 require that the residents choosing to participate in the residential parking permit district pay a proportionate share of the cost to establish the district. Typical costs include, but are not limited to, installation of signs, curb markings, staff time to issue permits, and administrative costs to create the district.

Recommended Action: Motion to: Adopt Resolution No. 2005-82 establishing Parking Permit District "H" within the City of Huntington Beach.

Alternative Action(s): Deny adoption of the resolution and provide staff with alternative direction to meet the requests of the residents on Hyde Park Drive.

REQUEST FOR ACTION

MEETING DATE: 12/19/2005

DEPARTMENT ID NUMBER: PW 05-077

Analysis: A resident of Hyde Park Drive submitted a letter to the Public Works Department requesting a permit-parking district. The shortage of available parking in the surrounding neighborhoods has created a high on-street parking demand on Hyde Park Drive. The ensuing influx of vehicles has resulted in a need for increased police enforcement requests.

As required by Chapter 10.42 of the Huntington Beach Municipal Code, the Public Works Department created a petition with all the addresses of the affected properties. The requesting party circulated the petition and returned it with signatures from occupants of 85% of the dwelling units. Parking restrictions are not an option for this street, as the residents desire unlimited parking during the day and overnight.

The Public Works Department has found that the requirements have been met for the establishment of a parking permit district. The Police Department supports the proposed parking permit district, which would be effective from 5:00 pm to 8:00 am, every day, including holidays.

The Public Works Department has reviewed the requirements for posting the permit parking district and estimate a total cost for the installation of \$430. The Municipal Code requires residents in the permit district to pay for the cost of establishing the district. Based on 26 residential addresses within the district, a fee of \$16.50 will be collected in addition to the adopted permit fees, with the first permit issued for each address as reimbursement to the City for the initial installation costs.

Public Works Commission Action: Not required.

Environmental Status: Not applicable.
